New heights I'm gaining ev'ry day;
Still praying as I'm onward bound,
Lord, plant my feet on higher ground.

Lord, lift me up, and let me stand,
By faith, on Heaven's tableland;
A higher plane than I have found,
Lord, plant my feet on higher ground.

Lyrics

Verse 1

I've been wondering lately,
When we're going Home;
The signs of the times tell us.
It won't be long
'Til Jesus will split the eastern skies,
When He comes for His bride.

Verse 2

Imagine the glory,
How precious the thought,
When the clouds are the road
He's gonna walk;
And together we're gonna rise
To meet Him in the sky.

Chorus

We've been watchin' and waitin',
Longin' and prayin',
For the trumpet to sound,
And the skies to be breakin';
What a day it's gonna be, my friend,
When Jesus comes again.

Verse 3

It could be any moment,
The church will take flight,
The Savior returns,
Like a thief in the night;
And the saints are coming out of the ground;
Come, Lord Jesus, even now!

Chorus

Bridge

Oh, for 2000 years we've been looking up,
What a day when we say, "Here He comes, here He comes!"

Chorus

Lyrics

Verse 1

I know who I am,
And who I was;
I still remember every sin
I was guilty of;
My sinful stains,
Your blood has washed away.

Verse 2

Lord, it's hard to believe,
That here and now
I've had more blessings,
Than should have been allowed;
So I come today to thank you for your grace.

Chorus

I'm overwhelmed by your mercy;
I'm amazed by your love;
I'm grateful for your goodness,
That you pour out from above
My life may not be perfect,
But it's better . . . than I deserve.

Verse 3

When I realize you never walked away,
Even though I've failed you, you always chose to stay
So I lift my voice and praise you Lord today.

Chorus

I'm overwhelmed by your mercy;
I'm amazed by your love;
I'm grateful for your goodness,
That you pour out from above
My life may not be perfect,

But it's better . . . than I deserve.

Bridge

Oh how can I be silent,
Or let the devil steal my praise?
Lord, you've been so good to me,
And I've just come to say . . .

Chorus

I'm overwhelmed by your mercy;
I'm amazed by your love;
I'm grateful for your goodness,
That you pour out from above
My life may not be perfect,
But it's better . . . than I deserve.

Verse 1

I don't know what lies ahead,
And I don't know what the doctors said;
I can't save you from the storm that you're in;
I don't know when it's going to end.

Chorus

But I do know that His promises are true;
I do know what He says He will do,
And when you're weary He will carry you;
And I do know every need He will supply;
I do know, though, for now you ask Him why;
He's gonna answer in His perfect time;
I do know.

Verse 2

I can't fix your broken heart
When your whole world is broken apart;
So hear me say, "Don't you forget;
God's not finished with you yet."

Chorus

Bridge

One day you'll look back
And see right where you stood;
And found that He was faithful,
To work it for your good.

Verse 1

I've cried my share of tears,
There's been pain that no one sees;
I've prayed, asking why
This is how it's gotta be;
But in the silence, I remembered...

Chorus

You're near to the broken;
You give strength to the weak;
You are life to the hurting,
And you love the doubting me
I was ready to give up on you,
But you never gave up on me!

Verse 2

Oh, to think you would come,
Despite the mess you found;
O, to see, what you have done,
With all the pieces on the ground;
And in this moment,
I still remember . . .

Bridge

I thank you for your goodness,
Your love, and grace;
I thank you for mercy,
That brought me to this place.

Chorus

Lyrics

Verse 1

There's a battle

That's been ragin';

It started back in Eden's garden;

There's a tempter that we're facing;

It's been a war ever since it started.

You'd think by now he'd know,

How the story's gonna go.

Chorus

It's already signed in blood,

'Cause the King has overcome;

We're the winners, we're the victors,

We're the champions;

We all know how it's gonna end,

That day'll be the death of sin;

Every time that the devil thinks he wins,

He finds out that the fight is, fight is fixed.

Verse 2

So when the demons come against you,

Call the name of the One who's greater;

He'll come running to your rescue,

'Cause He's a mighty, faithful Savior;

So hold your head up high;

We're on the winning side!

Chorus

Bridge

I've read the back of the Book, and we win, yeah, we win;

And all of God's people said, "Amen, amen, amen!"

Chorus

Tag

Yeah, he finds out that the fight is, fight is fixed.

The fight is fixed, ya, he hey . . . Oooooo . . .

Fight is fixed.

Lyrics

Verse 1

That old clock on the wall,
It's not moving at all,
And this heartache is too great to bear;
The silence is so loud,
Mixed with these dark clouds,
And I wonder if God is even near.

Pre-Chorus

But in my despair, from out of nowhere,
A promise is whispered to me.

Chorus

I know God is for me,
Like He said He would be,
Working all things for my good,
So for now while I can't see;
Just where the road leads,
By faith I believe,
God is for me!

So I'll hold on to hope,
And I know that I know,
He's never not once let me down;
And though troubles may come,
He's still on the throne,
So why would I doubt Him now?

Chorus

Bridge x3

If God be for me,
Who can be against me?
He's the One writing my story.

Lyrics

Verse 1

From the beginning,
You've been unchanging;
Age to age You stay,
Constant You remain;
Every mystery,
The questions I've carried,
Are safe within Your will;
So I trust You even still.

Chorus 1

I believe
You are Who You say You are;
You do what You say You'll do;
You'll come through,
You are always able.
I believe
You've already made a way,
I'm running through parted waves,
Straight to You
You are always faithful.

Verse 2

Jesus, You're for me,
Holding me steady;
Every word You speak
Is a promise that You keep;
This firm foundation
Cannot be shaken;
My God, You never fail
Never once, You never will.

Chorus

I believe
You are Who You say You are;
You do what You say You'll do;
You'll come through,

You are always able.
I believe
You've already made a way,
So I'm running through parted waves,
Straight to You,
You are always faithful,
I believe, yeah yes Lord, I believe.

BRIDGE

That on that cross Your blood was spilled,
And by Your stripes I have been healed,

And every promise You've fulfilled
I believe, I believe,
That You rose again in victory,
And that same power lives in me,

I'm born again, I've been made free
I believe, I believe,

That the gates of hell will not prevail,
Your church is still alive and well,

This Gospel truth I live to tell;
I believe, I believe

That one day soon You'll split the sky,
You're coming for a spotless bride,

Until my faith has been made sight,
I believe, I believe!

CHORUS 2

I believe
You are Who You say You are;
You do what You say You'll do;
You'll come through,
You are always faithful;

I believe
You've already made a way,
So I'm running through parted waves,
Straight to You,
You are always able;
I believe, yes Lord, in the goodness of Your love, I believe.

BRIDGE 2

And on that day when I've run my race,
I'll finally see You face to face,
And nothing then will separate;
I believe, I believe
I'll join with every tribe and tongue,
And bow before the Lamb of God,

Singing Holy, Holy, Holy One;
I believe, I believe.

Verse 1

I'll admit I've had my share of questions and doubts,
Of how God would take this trial I'm facing now,
And work it for my good and the glory of His name,
But He said He would.

Chorus

So I'm learning to live in the waiting;
I'll keep on praying till the answer comes;
I'm learning even in the moments
When it all looks hopeless (I can still trust);
He'll never leave my side (He'll never leave my side)
While I'm living between faith and sight.

Verse 2

So here I am standing on His Word and choosing to believe
That the One who knows it all knows just what I need;
'Cause I've seen what He can do, so even now
I know He's gonna move; He's gonna move.

Bridge

(And every worry) turns into rejoicing,
As I'm watching (I'm watching) . . . and praying (and praying),
And learning to live in the waiting;
And I'll keep on praying till the answer comes . . .

Chorus

While I'm living between faith and sight.
