

JESUS CAN TAKE CARE OF ME

VERSE 1

If He can paint a sunset in the western sky,
If He can make the sun to rise up in the East,
If He can rise up from the grave after dying on the tree
Then I know Jesus, He can take care of me.

CHORUS

If He can walk on the water where I am.
If He can calm the raging storms when my ship is going down
Then why should I worry when I have this peace.
I know Jesus can take care of me.

VERSE 2

If He could save the Hebrew children from the fire
If He could rescue Daniel from the lion's teeth.
And for the children of Israel, He could part the Red Sea.
Then I know Jesus can take care of me.

CHORUS 2X

TAG

I know Jesus can take care of me.

TILL THE STORM PASSES BY

VERSE 1

Out on the waters storms raging high,
the waters around them were trouble that night,
fear filled their hearts they felt they would die,
they failed to remember that the Master was nigh,

He spoke the words and winds all stood still
even the waters obey His will,
He calmed their storms like He will mine,
if I just remember He lives deep inside.

CHORUS

Why should I worry why should I fear,
when the very same Jesus He stays always near,
He lives in my heart and He hears when I cry,
I'll call on His name till the storm passes by.

VERSE 2

We read in the Bible when He walked with them,
brought light to the darkness when the way grew dim,
how great it would be to have His footsteps in mine,
and walk with the Master all of the time,

And when trials come and death seems so nigh,
I'll call on the Master I know He'll get there on time,
and when sickness comes and my body's in pain
all I have to do is call on His name.

CHORUS

REPEAT

TAG

I'll call on His name till the storm passes by.

THERE'S SOMEBODY OUT THERE

VERSE 1

There's somebody out there hurt and confused
An innocent child being abused
There's somebody out there whose heart is
Breaking in two
There's somebody out there feeling alone
A husband, a wife being done wrong
There's somebody out there shattered from
A broken home

CHORUS

But there's Somebody out there with arms open wide
Who longs to embrace you, dry the tears from your eyes
He's hope for the hopeless
He'll carry the burdens you bear
When you don't have a prayer
There's Somebody out there

VERSE 2

There's somebody out there who thought it was cool
To keep taking chances thinking they'd never lose
Now they're hooked on a feeling that's
Left them empty and fooled
There's somebody out there who can't quite decide
Whether to live or whether to die
They're searching for strength to get
Through their crisis in life

CHORUS

TAG

Oh Jesus is His name, He's that someone out there
I've tried Him, I know He's true
No limit to what God can do - Jesus
When you don't have a prayer,
I'm glad Jesus is out there.

I LOVE YOU, JESUS

VERSE 1

The world was this way
before I came along
And it may not get better
By the time that I'm gone.

But if I have a part
While I'm passing through
Let me smile from heart Lord
And just sing about You.

CHORUS

I Love you Jesus
And I love your name
And A long time ago
I'm glad You came
Let others go on
And do what they have to do
But it makes me happy
Just to sing about you.

VERSE 2

I've tasted some teardrops
A little sorrow and pain
I've reached for that rainbow
But only in vain
My life was so empty
So broken and blue
But then you gave me my song Lord
And I'll sing about You.

Chorus

I Love you Jesus
And I love your name
And A long time ago
I'm glad You came
Let others go on
And do what they have to do
But it makes me happy
Just to sing about you.

Let others go on
And do what they have to do
But it makes me happy
Just to sing about you.

FOR THE CHILDREN'S SAKE

VERSE 1

WHEN I LOOK AT MY CHILDREN, MY HEART SWELLS WITH PRIDE
WHEN I THINK OF ALL THEY ARE AND ALL THEY HAVE INSIDE
BUT THEN I LOOK AROUND AND SEE EVIL'S RISING TIDE
AND IT LETS ME KNOW I CANNOT LEAVE, I MUST STAND BY THEIR SIDE

CHORUS

FOR THE SAKE OF MY CHILDREN I WILL GUARD THE GATE
AND IF I MUST STAND ALONE I'M NOT GOING ANYPLACE
WHILE ENTERTAINERS PREACH PERVERSION WITH THEIR FINGERS IN OUR FACE
I WILL LIFT THE HOLY BIBLE, GET DOWN ON MY KNEES
I WILL TAKE A STAND FOR RIGHTEOUSNESS WHATEVER IT COSTS ME
OUR NATION'S LOST HER VALUES
OUR LEADERS WALKED AWAY
SO IT'S UP TO YOU AND ME TO RISE AND STAND
FOR THE CHILDREN'S SAKE

RECITATION

MANY ARE STARTING TO ASK, WHAT HAS HAPPENED TO OUR YOUNG PEOPLE?! TEEN PREGNANCY IS AT AN ALL-TIME HIGH; SEX, DRUGS AND ALCOHOL ARE WORDS AMERICA'S CHILDREN ALL TOO MANY TIMES HAVE LEARNED FROM EXPERIENCE. AND SCHOOL SHOOTINGS HAVE LET US KNOW THAT THIS NATION'S CHILDREN HAVE OVERDOSED ON VIOLENCE THROUGH TELEVISION, MOVIES, MUSIC AND VIDEO GAMES. KIDS KILLING KIDS AND TEACHERS AT THE SCHOOLHOUSE. AND FORTY YEARS AGO, TEACHERS LISTED AS THEIR NUMBER ONE CLASSROOM PROBLEM: GUM CHEWING IN CLASS. MAYBE THE QUESTION WE SHOULD BE ASKING IS, AND WHERE ARE THE PARENTS?

WHERE ARE THE PARENTS WHEN THE CABLE ASKS IF THEY WANT THE MOVIE CHANNELS IN THEIR HOMES AND THEY SAY YES, OPENING UP TO THEIR CHILDREN THE MOST GRAPHIC VIOLENCE, THE MOST PERVERTED SEXUAL ACTIVITY, AND AN ALMOST CONSTANT CURSING OF GOD'S NAME. NO MATTER WHAT HOLLYWOOD SAYS, OUR CHILDREN ARE IMITATORS OF WHAT THEY SEE AND HEAR. HOW DO YOU THINK THEY LEARNED TO WALK, TALK AND EAT? IF YOU WANT TO PROTECT YOUR CHILDREN, GET THE EVIL INFLUENCES OF HOLLYWOOD'S HELLISH MOVIES OUT OF YOUR HOME.

WHERE ARE THE PARENTS WHEN YOUNGSTERS SIT FOR HOURS BEING TAUGHT HOW TO KILL BY VIOLENT VIDEO GAMES? WHERE ARE THE PARENTS WHEN ROCK MUSIC BLARES FROM THE STEREO IN THEIR CHILDREN'S BEDROOM AND THEY SIT SURROUNDED BY POSTERS OF ROCK AND ROLL'S MOST CELEBRATED ENTERTAINERS ON THEIR WALLS? MOM AND DAD, THESE SONGS PROMOTE RAPE, SATANISM, TEEN SEX, AND THEY GLORIFY THE USE OF DRUGS AND ALCOHOL. PARENTS, THERE IS NO EXCUSE FOR YOUR CHILDREN'S HEROES TO BE THE GREEN-HAIRED, EARRING WEARING, PERVERTED LYRIC SINGING, DEVIL PROMOTING ROCK STARS OF THIS GENERATION. TEAR DOWN THE POSTERS, GET RID OF THE CD'S AND CASSETTES. THEY HAVE NO PLACE IN THE HOME OF A CHILD OF GOD, AND IT IS YOUR HOME - YOU ARE IN CHARGE, AND GOD EXPECTS YOU TO KEEP IT PURE.

I HAVE TOO MUCH INVESTED IN MY CHILDREN. I HAVE LOVED THEM TOO MUCH, PRAYED FOR THEM TOO LONG, WALKED THE FLOOR AND CRADLED THEIR FEVERED BODIES AT MIDNIGHT TOO MANY TIMES TO LET A GOVERNMENT THAT'S LOST ITS RESPECT FOR GOD, OR A HOLLYWOOD THAT'S FOCUSED ON CORRUPTING THE MORALS OF A NATION, OR A ROCK STAR WHO SPITS IN THE FACE OF GOD STEAL THE MINDS OF MY CHILDREN OR TELL ME HOW THEY OUGHT TO BE RAISED. THEY ARE MY CHILDREN AND IT IS MY JOB, AND I WILL DO MY DUTY UNTIL GOD RELIEVES ME, AND I WILL DO IT FOR THE SAKE OF MY CHILDREN.

CHORUS

JESUS RESCUES ME

I

Going through so many changes
What's the news for today?
Somebody's hurt, somebody's aching
Somebody's trying to find a way

A heavy heart can break your will
A troubled soul leaves time standing still
If you're hurting please don't hide
Lift up your head I'm on your side

CHORUS

When every mountain seems too high
And every river looks too wide
When my dreams are lost at sea
Jesus rescues me

My faith is strong and carries me
Though sometimes weak I still believe
My faith is built on this desire
Through the flood and through the fire
Jesus rescues me

II

I know you're looking for an answer
Searching for some hope to hold
Empty hands leave you waiting
Praying for a miracle

Jesus hears every cry
He sees the walls that we can't climb
And He will heal your hurting soul
And lead you safely to his Home

CHORUS

TAG

My faith is built on this desire
Through the flood and through the fire
Jesus rescues me

I'M GOING HOME WITH JESUS

VERSE 1

I'm going home with Jesus, in the twinkling of an eye.
I've made my reservation, for a mansion in the sky.
I may not know the moment, or I may not know the day,
But I know that I'll be leavin', when He calls His church away.

CHORUS

I'm listenin' for the trumpet, to sound most any time,
And a crown of life that waiting, thank God will soon be mine.
I got my invitation, thru a place called calvary,
By the precious blood of Jesus, the trips been paid for me.

VERSE 2

The captain of the vessel, He's calling get on aboard,
And the destinations heaven, safe on that crystal shore.
Where we'll meet with the Saviour, and our loved ones who have gone,
We'll live through all eternity, thank God I'm going home.

TAG

I may not know the moment, or I may not know the day,
But I know that I'll be leavin', when He calls His church away.

WHAT NEVER CHANGES

I

I've seen things along the way
I've seen trouble in my short days
But through it all, I had no fear
See I had a friend who was always near

CHORUS

If the sun were to fall
If the oceans were to dry
If the mountains were to crumble
I wouldn't bat an eye
For I stand upon the rock
He's the rock of all the ages
No matter what may come
The storm around me rages
I stand upon what never changes

II

Sometimes the way seems bleak
We're just humans and we are so weak
Take it from me when the road gets rough
He'll be there to pick you up.

CHORUS

If the sun were to fall
If the oceans were to dry
If the mountains were to crumble
I wouldn't bat an eye

If the sun were to fall
If the oceans were to dry
If the mountains were to crumble
I wouldn't bat an eye
For I stand upon the rock
He's the rock of all the ages
No matter what may come
The storm around me rages
I stand upon what never changes

I stand upon what never changes

DIDN'T I WALK ON THE WATER?

VERSE 1

As I kneel in the darkness in the middle of the night,
I'm praying for assurance everything's gonna be alright.
Lord I see another battle out in front of me
and I'm afraid I won't be able, and I'll go down in defeat.

VERSE 2

He said, do you remember where I brought you from?
Just take a look behind you at how far you've come.
And everytime you asked me, didn't I deliver you?
So why would you be thinking that I wouldn't see you through.

CHORUS

He said, I walked on the water and I calmed the raging sea.
I spoke to the wind, it hushed and gave you peace.
Didn't I run to your rescue
didn't I hear you when you called?
I walked right beside you just so you wouldn't fall.

Didn't I leave all of Heaven just to die for your sin?
I searched until I found you and I'd do it all again.

VERSE 3

Now your talking to your father in a house that was once a home
Said my bills are coming due lord and three days are not that long
But then you hear a voice so softly say I've moved like that before
I can do this little thing and i can give you so much more.

REPEAT CHORUS 2X

***TAG**

Didn't I leave all of Heaven just to die for your sin?
I searched until I found you and I'd do it all again.

FIELD OF GRACE

VERSE 1

Clouds are disappearing, skies are turning blue
Only just a while ago, I told Him I was through
He did not rebuke me, but with arms of strong embrace
Picked me up and carried me into a field of grace

CHORUS

Where all is quiet leaning on His breast
He pulled me from a stormy sea to a place where I could rest
Told me I was loved, told me I was safe
And I could stay til healing came in this holy field of grace

VERSE 2

Have to pass through deserts, have to face strong winds
But I don't dread them all that much, I know He'll come again
Lead me to still waters, there He'll let me stay
Til my soul has been restored in His healing field of grace

CHORUS

TAG
