

verse 1

when your standin by the graveside of a loved one you just had to say goodbye. when that child you've tried to lead to God has gone astray, and your so broken inside. when the doctor says im sorry, ive done everything that i can do. we must trust the saviors plan, he sees alot more than u can, His plan will lead you through...

Chorus

He may take you through the wilderness, so barren and alone and there may be some heartache on the road your travelin on but you must keep on moving, there's no place to turn around His grace will make you strong This could be the final mountain, that you will have to climb A celebration will be waiting when you reach the other side Be not weary on the journey, for the precious hand of God will lead you home

Verse 2

When a friend that you have trusted,
for so many years has let you down, you feel betrayed And the more your heart is aching the more it seems, God didnt hear the prayer you prayed
As you stand and watch your life long dreams crumble at your feet with nothing you can do you will have the saviors hand he sees alot more than you can, his grace will guide you through

Chorus

Tag: Jesus said there would be trouble in this you could count on
so be faithful to the call, you'll never walk alone

Chorus

Be not weary on the journey, for the precious hand of God will lead you home This is your journey!

“PRESS ON” - Katie Knopp

It's in the midnight hour
When you're hanging by a thread
And you've cried all your tears
In all the prayers you've said
That's when Jesus comes a runnin'
And He takes you by the hand
Just hold on you can make it
Press on; morning's coming, Press on.

Remember Paul and Silas,
Bound in stocks and chains
Yet they sang a song of joy
In the midst of their pain
There was Daniel in the lion's den
The Hebrews in the fire
They all stood strong and suffered long
'Cause they trusted in God's power

It's in the midnight hour
When you're hanging by a thread
And you've cried all your tears
In all the prayers you've said
That's when Jesus comes a runnin'
And He takes you by the hand
Just hold on you can make it
Press on; morning's coming, Press on.

Now if your heart's been broken
Like a shattered piece of glass
And you wonder if the pain you feel
Is ever gonna pass
And when the darkness surrounds you
It might seem to have no end
Just keep holding on; it won't be long
And you'll see the sun again.

It's in the midnight hour
When you're hanging by a thread
And you've cried all your tears
In all the prayers you've said
That's when Jesus comes a runnin'
And He takes you by the hand
Just hold on you can make it
Press on; morning's coming, Press on.

Just hold on you can make it, Just hold on you can make it
Press on.

I Held On

You ask me how it is that I'm still standing
You wonder how I made it through this storm
I can't boast of any special powers
There's no secret. I just held on

Chorus

And I held on til the storm was over
I don't claim to be a hero
and I don't have all the answers
but I held on 'til the storm was over
not because I'm good, not because I'm great
not because I'm strong but I held on

I can tell that things are finally happenin'
and I've got blessings I can call my own
many times I wondered if I would make it
While I was wondering I just kept holding on

When I Lay My Isaac Down

Abraham prayed for the day
God would give him a son
Blessed Isaac was his name
The greatest gift he'd ever known

Then came the day, who would have dreamed
God would say "Give him to me
On this mountain you will prove,
It's you and Isaac, or it's me and you"

When I lay my Isaac down
With a broken heart but my Father's proud
On this altar here he lay
Just to find it wasn't him God wanted me

Most of us I'd dare to say
Have an Isaac standing in God's way
But it's on this Altar you too can prove
It's not your Isaac that God wants
He wants you

Chorus
When I lay my Isaac down
With a broken heart but my Father's proud
On this altar here he lay
Just to find it wasn't him God wanted me

When I lay my Isaac down
With a broken heart but my Father's proud
On this altar here he lay
Just to find it wasn't him God wanted me

And on this altar where he lay
Just to find it wasn't him God wanted me

All to Jesus, I surrender
All to Him I freely give
I will ever love and I will trust Him
In His presence daily live.

And I surrender all.
I surrender all.
All to Thee, my blessed savior,
I surrender all.

When I lay my Isaac down
With a broken heart but my Father's proud
On this altar where he lay
Just to find it wasn't him God wanted me

On this altar where he lay
Just to find it wasn't him God wanted me

When There's No Hope There's Grace

Tossing and turning and sleep just won't come
You hate to see the sunrise on another day
You dread the sorrow that waits for tomorrow
You're out of hope but thank God for Grace

When there's no hope there is grace
When you feel to weep to stand let the blood take your place
There's no trial He can't erase
When there is no hope Thank God for grace
When there's no hope thank God for Grace

When the hours in your days seem like eternity
Oh no matter what you do pain just won't leave
You start to think that life is over your burdens hard to bare
Remember at your lowest he is always there

When there's no hope there is grace
When you feel to weep to stand let the blood take your place
There's no trial He can't erase
When there is no hope Thank God for grace
When there's no hope thank God for Grace

So no matter what you are going through the blood will prevail
Just pass all the sorrow remember He still there.

There's no trial he can't erase
When there is no hope Thank God for Grace
When there is no hope Thank God for Grace

Jesus Is Wonderful

Verse 1

I was lost in my sin and shame
No one but my self to blame
And My soul was headed for hell

But Jesus He passed by my way
He saved me that very day
so I lift my voice and I'll say
option
so i'll testify and i'll say

Chorus

Jesus is wonderful, Yes he is wonderful
Jesus is wonderful to me
He is the king of kings, prince of peace, my everything
Jesus is wonderful to me
YES he is wonderful to me

Verse 2

When I think about how good he's been
Picked me up time and time again
and gave me a new song to sing

I don't deserve his love and grace
it was on the cross He took my place
oh yes, he's wonderful to me

“The Resurrection” - Stacie Howell

It was the first day of His death
since He had taken His last breath
sorrow filled the air
birds stopped singing everywhere
nothing seemed the same
clouds begin to weep the rain

It was the second day
in the tomb where He laid
Satan smiled with glee
He said, "I have the victory,
You said You'd come to save
Oh, but now you're in the grave!"

Very early that third morn
before the dawn had come
Demons danced around
chanting Satan you have won

Then God in all his glory
stood up from the throne
He nodded to the angels
to roll away the stone

And the sun began to rise
and He opened up His eyes
the Father turned and said
my Son's no longer dead

Then the angels filled the sky

The heavens shout

The demons cried

The King walks out.

Then sings my soul,
my savior God to thee.

How great Thou art
How great Thou art.

How great...

v1

There is a blood
That cost a life
That paid my way
Death it's price
When it flowed
Down from the Cross
My sins were gone
My sins forgot

v2.

There is a grave
That tried to hide
This precious blood
That gave me life.
In three days
He breathed again
And rose to stand in my defense.

Chorus

So I come to tell you He's alive
To tell you that He dries, ev'ry tear that
falls
So I come to tell you that He Saves
To shout and to proclaim that He's coming
back for you,

v. 3

There is a Blood
That sights the blind,
That heals the sick
And the lonely finds
It has the power
To free the bound
As chains they fall
Upon the ground

v4.

So pour it out
And cleanse my soul
And let His liquid Glory flow
Because it lives
To make me whole
I owe my life
I owe my all

Chorus

So I come to tell you He's alive
To tell you that He dries, ev'ry tear that
falls
So I come, to tell you that He Saves
To shout and to proclaim that He's coming
back for you,

You Do Not Owe Me - Phil Cross

Father I have wondered why I've had
to live such a hard life
As one of your children, I have questioned
Shouldn't things be better for me?

So many valleys, too many hills
I thought, but I was wrong Father
I'm sorry but I didn't see that

Chorus (Solo only)
You do not owe me one thing Father
You do not owe me one thing Father
You have already given everything Father
You do not owe me one thing

The riches of beloved love,
Your redeeming one blood
Was given for the sinner for the debtor

Now my debt has fully been paid
You sent my Savior; owe you my life
You settled my forever; I owe you everyday, everyday

Chorus (CHOIR)
You do not owe me one thing Father
You do not owe me one thing Father
You have already given everything Father
You do not owe me one thing

Bridge
I owe it all, I owe it all
I owe it all, I owe it all

Father, I owe it all
I owe it all, I owe it all

I owe it all

Chorus (CHOIR)
You do not owe me one thing Father
You do not owe me one thing Father
You have already given everything Father
You do not owe me one thing
REPEAT 3X

Now More Than Ever

When I started my journey in fresh childlike trust
I believed that the Lord's way was best.
I would read in His Word how He mothered the bird
And grieved when it fell from it's nest.
How I felt His delight when I chose to do right,
And I prayed I would not make Him sad.
We would meet on the way in the cool of the day,
What a pure sweet communion we had.

Chorus:

Oh, but now more than ever I cherish the cross.
More than ever I sit at His feet.
All the miles of my journey have proved my Lord true,
And He is so precious to me.

The road I have traveled has sometimes been steep,
Through wild jagged places of life.
Sometimes I've stumbled and fallen so hard
That the stones cut my soul like a knife.
But the staff of my Shepherd would reach out for me
And lift me to cool pastures green.
With oil of the spirit anointing my wounds,
There I'd rest by the clear healing stream.

Chorus

Is Love's Old Sweet Story too good to be true?
Do you find all this hard to believe?
Has the cruel world we live in so battered your heart
That the hurt child inside you can't grieve?
I can't say I blame you.
I've been where you are.
But all I can say is
It's true!
You're wanted,
You're precious,
You're the love of His heart,
And the old rugged cross was for you.

Redeemed

Seems like all I could see was the struggle
Haunted by ghosts that lived in my past
Bound up in shackles of all my failures
Wondering how long is this gonna last
Then You look at this prisoner and say to me
“Son, stop fighting a fight that's already been won”

(Chorus)

I am redeemed
You set me free
So I'll shake off these heavy chains
And wipe away every stain
Now I'm not who I used to be
I am redeemed
I am redeemed

All my life I have been called unworthy
Named by the voice of my shame and regret
But when I hear You whisper, “Child lift up your head”
I remember oh God, You're not done with me yet

I don't have to be
The old man inside of me
'Cause his day is long dead and gone
Because I've got a new name
A new life I'm not the same
And a hope that will carry me home

Chorus (X2)

Take Me To the King

[Chorus:]

Take me to the King
I don't have much to bring
My heart is torn in pieces
It's my offering
Take me to the King

[Verse 1:]

Truth is I'm tired, Options are few
I'm trying to pray, But where are you?
I'm all churched out, Hurt and abused
I can't fake, What's left to do?

Truth is I'm weak, No strength to fight
No tears to cry, Even if I tried
But still my soul, Refuses to die
One touch will change my life

[Chorus:]

Take me to the King, I don't have much to bring
My heart's torn in pieces, It's my offering

Lay me at the throne, Leave me there alone
To gaze upon Your glory, And sing to You this song
Please take me to the King

[Verse 2:]

Truth is it's time, To stop playing these games
We need a word, For the people's pain

So Lord speak right now, Let it pour like rain
Oh, yeah, we're desperate, We're chasing after you

[Bridge:]

No rules, no religion, I've made my decision
To run to You,, The healer that I need

[Chorus:]

Take me to the King
I don't have much to bring
My heart's torn to pieces
It's my offering

Lay me at the throne
Leave me there alone
To gaze upon Your glory
And to sing to You this song

Take me to the...

Lord we're in the way
We keep making mistakes
The glory's not for us
It's all for You

[Chorus:]

Take me to the King
I don't have much to bring
My heart's torn to pieces
It's my offering

Lay me at the throne
Leave me there alone
To gaze upon Your glory
And sing to You this song

Take me to the King *[x3]*

I Am

I am the Lord, I'm the Almighty God
I am the One for whom nothing is too hard
I am the Shepherd and I am the Door
I am the Good News to the bound and the poor

[Chorus]

I am the Righteous One and I am the Lamb
I am the Ram in the bush for Abraham
I am the ultimate Sacrifice for sin
I am your Redeemer, the Beginning and the End

[Chorus]

I am Jehovah [choir sings]

And I am the King

I am Messiah, David's offspring
I am your High Priest and I am the Christ
I am the Resurrection, I am the Light

[Chorus][Verse 4 (x2)]

I am the Bread and I am the Wine [2nd time, choir sings]

I am your Future so leave your past behind

I am the One in the midst of two or three

I am your Tabernacle, I am your Jubilee [2nd time, choir sings]

[Chorus]

I [Vamp]

I am Hope, I am Peace, I am Joy, I am Rest

I am your Comfort and Relief from your stress

I am Strength, I am Faith, I am Love, I am Power

I am your Freedom this very hour!

[Alt]

You're my Hope, You're my Peace, You're my Joy, You're my Rest

You are my Comfort,

You're Relief from my stress

You're my Strength, You're my Faith, You're my Love, You're my Power

You are my Freedom this very hour!

Things I wanted to show you
Sing sweet lullabies, wipe your teary eyes
Who could love you like this? People say that I am brave but I'm not
Truth is I'm barely hanging on
But there's a greater story
Written long before me
Because He loves you like this

So I will carry you
While your heart beats here
Long beyond the empty cradle
Through the coming years
I will carry you
All my life
And I will praise the One Who's chosen me
To carry you

Such a short time
Such a long road
All this madness
But I know
That the silence
Has brought me to His voice
And He says?

I've shown her photographs of time beginning
Walked her through the parted seas
Angel lullabies, no more teary eyes
Who could love her like this?

I will carry you
While your heart beats here
Long beyond the empty cradle
Through the coming years
I will carry you
All your life
And I will praise the One Who's chosen Me
To carry you
